**From:- Ernest Rossi
Vice-President FCI
(in charge of International Affairs)**

As already explained to Mr Sverdel by Myself and Dr. Tereso – President of the FCI. the Protocol signed by Mr Sverdel and Mr Bodnarash at the Directors Meeting in Halle in March 2013 is null and void, as through an oversight we did not ask the member Federation – Whole Ukrainian National Federation of Postal-Sports Pigeon Amateurs – if they objected to the possibility of forming a Confederation with – The Ukrainian Racing Pigeon Association – and – Ukrainian Racing Pigeon Federation.

At a meeting held in Ukraine with the “Whole Ukrainian National Federation of Postal-Sport Pigeon Amateurs” whereby I was present, it was decided that both the Federation of Mr Sverdel and of Mr Bodnarash would be accepted and was prepared to sign a new Protocol, to form a Confederation which would include the three Federations.

Note:- I had personally invited both Mr Sverdel and Mr Bodnarash by email, to be present but for their reasons, they could not be present.

May I also point out that according to the FCI Statute the only Ukrainian Federation that is a member of the FCI is “Whole Ukrainian National Federation of Postal-Sport Pigeon Amateurs”

The Federations of Mr Sverdel and Mr Bodnarash can become members of the FCI, only after they sign the New Protocol which include the three Federations.
